Extension of Long Stop Date for Proposed Acquisition of Resulticks; Extraordinary General Meeting.

As previously disclosed, Diginex Limited ("Diginex" or the "Company") entered into an Amended and Restated Sale and Purchase Agreement, dated August 14, 2026 (the "A&R SPA"), with the several sellers party thereto (collectively, the "Sellers" and, together with Diginex, the "Parties"), pursuant to which Diginex agreed to acquire from the Sellers all of the issued and outstanding share capital of Resulticks Global Companies Pte. Limited and its subsidiaries ("Resulticks") in an all-share acquisition of Resulticks (the "Transaction"). The A&R SPA provides that the Transaction was required to close on or before October 30, 2026 (the "Long Stop Date"). The Company's shareholders approved the Transaction and the related proposals at the extraordinary general meeting held on October 8, 2026 (the "October 2026 EGM"), as disclosed on the Company's Report on Form 6-K furnished to the U.S. Securities and Exchange Commission (the "SEC") on October 9, 2026.

The closing conditions under the A&R SPA were not satisfied or waived by the Long Stop Date. Under Clause 4.6 of the A&R SPA, each of Diginex and the Sellers' Representative (acting on behalf of the Sellers) is entitled in such circumstances to terminate the A&R SPA by written notice to the other. Neither Party has delivered a notice of termination. On November 6, 2026, the Parties agreed to extend the Long Stop Date in the A&R SPA from October 30, 2026 to November 19, 2026. The extension is intended to provide the Parties additional time to satisfy the remaining closing conditions related to the Transaction. All other terms of the A&R SPA remain unchanged.

The Transaction remains subject to the satisfaction or waiver of the applicable closing conditions contained in the A&R SPA. There can be no assurance that the Transaction will ultimately be completed.

Extraordinary General Meeting

On November 6, 2026, the board of directors of the Company (the "Board") resolved to convene an extraordinary general meeting of shareholders on November 20, 2026 (the "EGM"). Shareholders of record at the close of business on November 6, 2026 will be entitled to receive notice of and to vote at the EGM. At the EGM the Company's shareholders will be asked to approve (i) an increase in the Company's authorized share capital from US$200,000 divided into 495,000,000 ordinary shares of a par value of US$0.0004 each and 5,000,000 preference shares of a par value of US$0.0004 each to US$520,000 divided into 1,295,000,000 ordinary shares of a par value of US$0.0004 each and 5,000,000 preference shares of a par value of US$0.0004 each, by the creation of 800,000,000 additional authorized ordinary shares of a par value of US$0.0004 each (the "Share Capital Increase"), (ii) a ten for one share consolidation of the Company's authorized share capital such that following the share consolidation the Company will have authorized for issuance 129,500,000 ordinary shares of a par value of US$0.004 each and 500,000 preference shares of a par value of US$0.004 each (the "Share Consolidation"), and (iii) an amended and restated memorandum and articles of association reflecting those changes (the "M&AA Amendment"). Upon the implementation of the Share Consolidation, the Company's ordinary shares will trade under a new CUSIP number.

At the October 2026 EGM, shareholders approved an increase in authorized share capital and a ten for one share consolidation that were conditional on completion of the Transaction. The Share Capital Increase and the Share Consolidation proposals being presented to the Company's shareholders at the EGM are not conditioned on the closing of the Transaction and, if approved, will take effect, at the discretion of the Board, if Diginex does not complete the Transaction; however, in the event the Transaction is completed, then the Board will implement both the increase in authorized share capital and the ten for one share consolidation proposal that were approved by the Company's shareholders at the October 2026 EGM, rather than the Share Capital Increase and the Share Consolidation proposals that were submitted at the EGM.

The notice of the EGM, proxy statement and form of proxy card will be furnished to the U.S. Securities and Exchange Commission on a Form 6-K and made available to shareholders in due course.

On November 7, 2026, the Company issued a press release announcing the extension of the Long Stop Date (the "Press Release"). A copy of the Press Release is furnished herewith as Exhibit 99.1.

This Report on Form 6-K is hereby incorporated by reference into the Company's registration statement on Form S-8 (File No. 333-292968), filed with the SEC on January 27, 2026, and shall be a part thereof from the date on which this Report is furnished, to the extent not superseded by documents or reports subsequently filed or furnished.

Diginex Announces Extension of Long Stop Date for Proposed Acquisition of Resulticks and Convenes Extraordinary General Meeting

- *Long Stop Date extended to 19 November 2026*
- *EGM to consider increase in authorized share capital and 10-for-1 share consolidation, independent of the Resulticks transaction*

LONDON, Nov. 07, 2026 (GLOBE NEWSWIRE) -- Diginex Limited (NASDAQ: DGNX) ("Diginex" or the "Company"), a provider of ESG, sustainability and compliance solutions to institutional and corporate clients, today announces that on 6 November 2026 it agreed with the sellers of Resulticks Global Companies Pte. Limited("Resulticks") to extend the Long Stop Date under the amended and restated share purchase agreement dated 14 August 2026 (the "SPA") for the Company's proposed acquisition of Resulticks (the "Transaction") from 30 October 2026 to 19 November 2026. All other terms of the SPA remain unchanged.

The closing conditions under the SPA were not satisfied by the original Long Stop Date of 30 October 2026, and neither party has delivered a notice of termination. The extension provides the parties with additional time to satisfy the remaining conditions to consummate the closing of the Transaction. The Company's shareholders approved the Transaction at the extraordinary general meeting held on 8 October 2026. The parties are continuing to work towards the satisfaction of the remaining conditions. The Transaction remains subject to the satisfaction or waiver of the remaining conditions in the SPA, and there can be no assurance that the Transaction will be completed.

Extraordinary General Meeting

The Board of Diginex has resolved to convene an extraordinary general meeting of shareholders (the "EGM") on 20 November 2026. Shareholders of record at the close of business on 6 November 2026 will be entitled to receive notice of and to vote at the EGM. At the EGM the Company's shareholders will be asked to approve (i) an increase in the Company's authorized share capital from US$200,000 divided into 495,000,000 ordinary shares of a par value of US$0.0004 each and 5,000,000 preference shares of a par value of US$0.0004 each to US$520,000 divided into 1,295,000,000 ordinary shares of a par value of US$0.0004 each and 5,000,000 preference shares of a par value of US$0.0004 each, by the creation of 800,000,000 additional authorized ordinary shares of a par value of US$0.0004 each, (ii) a ten for one share consolidation of the Company's authorized share capital such that following the share consolidation the Company will have authorized for issuance 129,500,000ordinary shares of a par value of US$0.004 each and 500,000 preference shares of apar value of US$0.004 each, and (iii) an amended and restated memorandum and articles of association reflecting those changes. Upon the Share Consolidation taking effect, the Company's ordinary shares will trade under a new CUSIP number

At the 8 October 2026 meeting, shareholders approved an increase in authorized share capital and a share consolidation that were conditional on completion of the Transaction. The proposals to be put to the EGM are not conditional on the Transaction and, if approved, will take effect, at the discretion of the Board, whether or not Diginex completes the Transaction; if the Transaction completes first, the consolidation approved in October will be implemented instead, so that the shares are consolidated once only.

The notice of the EGM, the proxy statement and the form of proxy card will be furnished to the U.S. Securities and Exchange Commission on a Form 6-K and made available to shareholders in due course.
